Grants

- 2006-07 Principal Investigator, Grant # R43 HD 05109-01, An Interactive Program for Teacher Diversity Training, National Institute of Child Health and Human Development. Project to develop an intervention designed to increase: (a) knowledge of the meaning of race, (b) knowledge of the manifestations of bias and discrimination (e.g., unintentional racism, implicit attitudes, racial privilege, and institutional racism) in the classroom and in schools, (c) positive attitudes regarding racial diversity and multiculturalism, (d) peer norms that encourage inclusive classroom dynamics, (e) intentions to engage in practices that create an inclusive classroom environment, (f) self-efficacy in promoting positive expectations for all students (g) understanding of the impact of personal bias and comfort levels in situations of difference, and (h) communication skills with students (e.g., active listening and communicating respect). Award amount \$160, 250.
- 2006-07 Principal Investigator, The Development of a Racial Attitudes Index, Grades K-3. National Science Foundation Dissertation Improvement Grant (Methodology, Measurement, and Statistics Program). Award amount \$12,000.
- 2005- 07 Principal Investigator, Grant # R44 MH65797, An Interactive Program for Workplace Diversity Skills, National Institute of Mental Health. Project to develop and evaluate a theoretically-grounded

intervention designed to increase: (a) awareness of personal biases and personal reactions to differences; (b) knowledge about bias related to several dimensions of a diversity (e.g. race/ethnicity, gender, disability, and age); and (c) skills in communicating in a culturally diverse workplace. Award amount \$882,691.

- 2003-05 Principal Investigator, Grant #R44 HD041229, Interactive Program to Reduce Racial Bias, National Institute of Child Health and Human Development. Project to develop a comprehensive, interactive CD-ROM and Internet program to reduce racial bias among children in grades K-3. Award amount \$753,101.00.
- 2002-04 Co-Investigator, Grant #R43 MH65797, An Interactive Program for Workplace Diversity Skills, National Institute of Mental Health. Project to produce and evaluate an interactive multimedia program to increase understanding of personal biases, knowledge about manifestations of racism, and intercultural interaction skills. Award amount \$100,000.
- 2001-03 Principal Investigator, Grant #R43 HD41299, Interactive Program to Reduce Racial Bias, National Institute of Child Health and Human Development. Project to create an interactive multimedia program to reduce racial bias among elementary school students. A Phase I prototype program for White and African-American children in grades K-1 will be developed that addresses two major factors that underpin racial bias: basic color bias and perceptual discrimination inadequacies. Award amount \$100,000.

Service

- 2003-2005 Co-Coordinator, Social Science Research Interest Group, Center for the Study of Women in Society, University of Oregon
- 2002-2004 Graduate Representative, Faculty and Staff of Color Coalition Steering Committee, University of Oregon
- 2000-2002 Institutional Review Board Chairperson, Oregon Center for Applied Science
